

Join the Small Press Co-op!

It's free!

The Speculative Literature Foundation Small Press Co-operative is an organization designed to help small presses within the science fiction, fantasy and horror genres co-operate on projects and exchange useful information.

Membership in the Co-operative will initially give members access to our private discussion boards, where members may exchange information on finances, logistics, advertising, editing, and more. Members will also have the opportunity to join such group ventures as Co-op convention parties, sharing costs and space. We hope that further discussion will also open possibilities for other cost-sharing ventures (as with printers, advertising, convention dealers room tables, etc).

Membership in the SLF Co-op is currently open to any self-identifying small press and its representatives (publishers, editors, copyeditors, etc.) -- both online and print presses are welcome to join.

To apply for membership in the SLF Small Press Co-operative, please visit: www.speculativeliterature.org/Co-op for details.
